

# National Organization of Nurses with Disabilities

---

**NOND is the voice of disability in nursing**

~~~~~

## **MISSION**

The National Organization of Nurses with Disabilities is an open membership, cross-disability, professional organization that works to promote equity for people with disabilities and chronic health conditions in nursing through education and advocacy by:

- promoting best practices in education and employment;
- providing resources to individuals, nursing and disability organizations, and educational and healthcare institutions;
- influencing the provision of culturally responsive nursing practice; and,
- creating systemic improvements.

**NOND values the:** experiences, cultures, abilities, and rights of people with disabilities; history, practice, and service of the nursing profession; empowerment of people with disabilities within nursing; and, enhancement of the nursing profession.

~~~~~
